

San Domenico School

Educate. Engage. Empower.

January 28, 2014

Dear San Domenico Families:

I'm writing to share with you the tuition and grade-level fees for the 2014-15 school year. In setting the tuition levels, our Board of Directors reviewed the overall costs and fees for both peer day schools and boarding schools. In addition, they assessed the average rate of tuition increases over the past three years at these schools, and considered what "extras" such as transportation and lunch were included for each school. Based on this comparison, we are confident that we continue to offer both an outstanding educational experience and an excellent value at San Domenico.

We understand that an independent school education is a considerable investment and appreciate you choosing our school. On behalf of San Domenico's faculty, leadership team, and board of directors, I thank you for being part of our school community.

All the best,
Cecily Stock, M.A., J.D.
Head of School
