Carol Franc Buck Hall of the Arts, Ferguson Hall**

Julie Davis Butler '59 was an inspiring, vibrant and passionate person who died tragically in a plane crash in central Burma on October 11, 1987. In 1988, Julie's classmates created a fund to honor her that affords junior-year recipients the leadership training and service experience to support and continue Julie's commitment to peace, social justice and selfless love.

Don't miss this opportunity to see what the next generation of San Domenico alumni is doing to leave their mark in the world, in continuation of Julie's spirit of service.

Piatti Restaurant, Mill Valley**

All alumni are invited to be our guests at a hosted reception and happy hour to kick off Reunion Weekend 2017. Join us as we raise a glass to toast those who have traveled near and far to participate in Reunion activities.

We'd also like to take this opportunity to recognize and express our sincere appreciation for our dedicated group of Class Representatives. All Class Reps are invited, regardless of Reunion attendance. Significant others welcome.
