Celebrating Year 4 of our speaker series!

Wednesday, May 23, 7:00 – 8:30 pm
An evening with Sister Corinne Florek, OP
What is Impact Investing?
The Sisters Do It and You Can Too!

Corinne Florek, an Adrian Dominican Sister, is the Executive Director of RCIF, the Religious Communities Investment Fund, a collaborative fund sponsored by twenty-nine Catholic women’s religious congregations, including the Dominican Sisters of San Rafael. The congregations believe, as Gospel people, that they are called to use their financial resources as a ministry to assist in overcoming social and environmental inequities. They have pooled assets to promote economic justice through investments in low-income communities worldwide. RCIF is excited to be celebrating its tenth anniversary this year!

Sister Corinne has over 35 years’ experience in the field of community economic development. She received an MBA from the University of Notre Dame and was awarded the Ned Gramlich Lifetime Achievement Award from the Opportunity Finance Network in 2010 and the Community Impact Award from the Northern California Community Loan Fund in 2014.

Attending with Sister Corinne will be Ms. Annie McShiras, an Investment Associate with the Self Help Federal Credit Union. Passionate about cooperative and democratic economics, Annie has been promoting movements for economic justice, the solidarity economy, and systems change for the past ten years. Prior to joining the Self-Help team, Annie served as Director of Development and Strategic Growth at The Working World and as Development Director at the Responsible Endowments Coalition.

All are welcome! We will have light refreshments and there will be time for your questions.
