

## Dorm Furnishings

### Dorm Rooms

All dorm rooms at San Domenico are either singles or doubles. In every dorm room, each student has his or her own desk and chair, bed, closet space, and electronic combination safe. All of the rooms have overhead lighting and are outfitted with blinds on the windows. Please do not bring additional furniture or window coverings.

Every student will have his or her own standard twin bed (97 cm × 191 cm / 38 in × 75 in). Students will need to provide and launder their own linens and towels.

### Laundry Rooms

Each dormitory floor has two washers and dryers. The laundry machines in the dorms do not require coins to operate. It is helpful to new students if they are familiar with the operation of washers and dryers and doing laundry before they arrive at school, and our prefects are always able to help new students understand the laundry machines.

Each dorm laundry room has its own full-size refrigerator, microwave, hot water source (185F/85C) - for tea, noodles, hot cocoa, etc.) and a clothing iron. For safety reasons, cooking is not permitted in dorm rooms or dorm laundries. Students can come ask for permission to cook at Mercedes Parlor or Patio.
